14		The Start-up: An Invitation for the Budding Entrepreneur	TTLH2, D Block, Gr fl Auditorium	All

HOW TO PARTICIPATE

Step 1:

The participant must do the TechFest provisional registration online on the TechFest site. After that a Registration Id is generated and a confirmation mail is sent to the participant's mail that contains the confirmation of the provisional registration. A copy of the name of the participant is also sent to the registration database for confirmation.

Step 2:

After completing the online registration the participant has to come to the offline counter with the fees. The fees being Rs 100/- which is mandatory for the TechFest registration and further Rs 50/- for each of the events he/she wants to participate.
For payment two copies of money receipt will be made. One copy will be kept with the coordinators and another is given to the participant. Both the money receipt will contain the Registration Id, Name and the Number of events he/she wants to participate.

NOTE:
For all students of AOT, Steps 1 and 2 of Registration Process will be completed by 10th April 2018. Only students from outside colleges will go through Steps 1 and 2 on 11th April 2018.

Step 3:

On the day of TechFest participants must come with the participant's money receipt given to them earlier. After submitting the money receipt the participants will be given Tool Kits and Event Cards specifically for the events that he/she has opted to participate. These Event Cards will contain the Registration Id, Name of the participant and the events he/she is going to participate.
The Event Card will be of 4 types-
  1. Brain Storm
  2. Code Arena
  3. Pioneer
  4. Robotics

NOTE:
For both AOTians and outside students, Step 3 will be completed between 9 am and 11 am on 11th April 2018.

Maximum Events a student can participate in:
4 events
